## WORK EXPERIENCE

### Absolute Environmental Solutions, LLC, Lansing, MI

Co-Founder/President, August 2016 – Present

- Co-founded a property inspection, environmental quality testing, and solar energy company with the goal to help clients optimize their home's indoor health and energy efficiency.
- In charge of day-to-day business operations such as customer service, marketing, and product management.
- Responsible for inspecting a home's most crucial systems and components, including: HVAC, electrical, plumbing, insulation, ventilation, roof, foundation, exterior, and interior.
- Responsible for performing environmental quality tests on indoor air and water, including tests for: radon gas, mold, carbon monoxide, lead, asbestos, and more.
- Responsible for designing and installing residential and commercial solar energy systems that meet clients' energy production needs.
- Apply building science, energy efficiency, and environmental quality knowledge in order to inform clients about the current condition of their home and recommended repairs and upgrades.

### State of Michigan Department of Attorney General – Environment, Natural Resources, and Agriculture Division, Lansing, MI

Legal Intern, May 2015 – December 2015

- Answered general and specific inquiries from staff via face-to-face, telephone, and email consultation.
- Wrote memoranda on environmental law issues, including wetland protection, riparian rights, and hazardous waste clean-up liability.
- Assisted attorneys in preparation for litigation, including legal research and drafting motions and briefs.

**State of Michigan Department of Environmental Quality, Lansing, MI**

Legal Intern, January 2015 – April 2015

- Collaborated with Department Tribal Liaisons and developed a presentation on strategies for improving relations between the State and Tribal governments.
- Wrote memoranda on a variety of legal issues, including Native American treaty rights and water resource protection.
- Performed statutory research for the Water Resources Division on the Michigan Natural Resources and Environmental Protection Act.

**Third Judicial Circuit Court, Wayne County, Detroit, MI**

Summer Law Clerk to The Honorable Lita M. Popke, June 2014 – August 2014

- Interacted in a friendly manner both face-to-face and over the telephone with interested parties about the status of their cases.
- Performed legal research and wrote memoranda on a variety of civil legal issues, including governmental immunity, negligence, and employment discrimination.
- Prepared bench memoranda assisting in summary disposition decisions.

**Law Offices of Raymond N. Mashni, Lapeer, MI**

Legal Intern, May 2012 – August 2012

- Consulted with clients both face-to-face and over the telephone to evaluate needs and determine their best legal options.
- Implemented a new filing system and online database to better organize client materials.
- Performed legal research on bankruptcy, business, and criminal law issues.
